## ARSENAL

Gun Safe

**Superior Protection and Organization** 

Colors Available

Tested for fire resistance at 30 MIN @ 1200<sup>o</sup> F Available for ODM/Private Label

## **ARSENAL FEATURES**

Interior walls and shelves are lined with sturdy
fabric to withstand longterm wear and tear.

 Door Organizer provides additional storage and is uniquely secured using solid tracks versus being screwed into the sheetrock as in standard gun safes.

Pockets designed to conveniently hold handguns.

Varying sized pockets to organize different types of ammunition.

 Adjustable shelves provide flexibility with additional storage capabilities.

Intumescent fire seal expands in the event of a fire and seals the gap between the door and the frame for additional protection from fire and smoke damage.

Model	Exterior Dimensions	Weight	Gun Capacity	
RGS6021	60"H x 21"W x 16"D	295 lbs	15 Long
